

CHANGE MANAGEMENT

TRAINING PROGRAMME

Potential Exponents

Potential Exponents offers a SETA Accredited (NQF-aligned) Change Management Programme. The Programme is aimed at those at the heart of implementing change within an organization. This includes Management; Middle Management; Supervisory levels, as well as other roles that deal with change at an implementation level.

The Change Management Programme is outcomes-based and is in line with the outcomes and assessment criteria as stipulated in Unit Standard 115407:

Applying Principles of Change Management in the Workplace.

Upon completion, attendants receive a Certificate of Competence* (10 credits) - leading towards the National Certificate in Organizational Transformation and Change Management.

The Programme covers among others, the following topics:

- Nature of Change
- Roles and responsibilities of Change Agents
- Types of Change
- Elements to be considered before Change
- Change Management process
- Models of Change Management
- Challenges to managing Change successfully
- Developing a Change Management Plan
- Managing Change as a Project

Duration: 3 Days**

Cost: R7850 per delegate

(Course fee includes Learner Manual and Workbook; as well as Assessment and Moderation).

*Certificate of Competence will be issued upon completion of summative assessment and a Portfolio of Evidence (POE); which should be submitted within the agreed time. Ongoing support for completion of POE is available. Learners declared not yet competent are afforded the opportunity to address the gaps that are outlined in the Assessor report.

**A total of 100 notional hours including 3 days' workshop attendance and workplace learning combined with completion of summative assessment and POE.
